In order to escape the just and universal indignation which has been aroused against them by the suffering inflicted upon the volunteer army, through the incompetence or the dishonesty of those whom they have placed in power, those whom they have piaced in power, they have been searching the congres-sional records and racking their brains to find some damaging accusation which they can sustain against us. Whole Body a Mass of Sores. Doctor Could Not Cure. Tried CUTICURA.

Speedily Cured. Now Fine Hair And Clear Skin.

Our baby at the age of four mouths was sickly, and broke out with Eczema on his face and body. He was a mass of scabs. The doctor could not cure him. One day I saw your advertisement in the newspaper, and I got CUTICURA REMEDIES at once. I used one box of CUTICURA (cintment), one bottle of CUTI-CURA RESOLVENT, and three cakes of CUTI-CURA SOAP, and he was cured. HON. J. W. BAILEY, OF TEXAS, SPEAKS AT CHATHAM.

AN AGGRESSIVE CAMPAIGN To Be Made by the Democrats-Senator Martin in Mecklenburg-Daniel

Addresses a Large Crowd at

DANVILLE, VA., September 19 .- (Special.)-Hon. Joseph W. Bailey, of Texas, spoke at Chatham to-day in the interest of Congressman Claude A. Swanson's candidacy for re-election in this, the Fifth, district. A very large assemblage, con sisting principally of farmers from the surrounding section, listened to him with marked attention for an hour and a half, frequently interrupting the speaker by applauding vigorously. Altogether, the address was well calculated to arouse the

activity. Mr. Bailey was introduced at 11:30 o'clock by Judge James L. Tredway. The Texan vigorously denounced the issue of the war onds, contending that the brevity of the war, which any man of fair intelligence could see in advance of the conflict, did not justify it. For the same reason the Republican majority in Congress was criticised for bringing an enormous war tax for an unlimited period of time

Mr. Balley made it plain that the Demo-crats mean to make the present campaign an aggressive one. Among other things of similar import he said: "For months Republican politicians and Republican editors have talked and writ-

so much credit as did the Democrats of

versy, was our vote against the war-revenue bill; and events have completely vin-licated our course in respect to that measure. We opposed the passage of that bill because we believed that it authorfized an unnecessary sale of interest-bear-Seech, \$375.

In execution of a certain deed of trust to the trustees of the Home Building Company (Perpetual), dated May 16, 1885, and recorded in Richmond Chancery Court, in Deed-Book 148 "C," page 504, which was given to secure the payment of a certain bond therein mentioned, default having been made in the payment of a part of said bond, and being directed by the Board of Directors of said Home Building Company (Perpetual), we will proceed to sell at public auction, upon the premises, on

the premises, on

TUESDAY, SEPTEMBER 20, 1898,
at 12 o'clock M., the PROPERTY above
mentioned, being the same real estate
conveyed by said deed of trust. The improvements consist of a large two-story
brick building and corrugated shed, and

fronts 130 feet 6 inches, more or less, on
the north side of Cary street, running
back between parallel lines, and parallel
with Eighteenth street, and fronting
thereon 132 feet, more or less, to a wide

that an opportunity to secure such a
valuable site is offered, all in want of
such property should attend this sale.
